METER READINGS ONLY
This sheet is provided as a convenience to you and is only a guide. It shows what the truck's odometer (ODOM) and the engine's Electronic Control Module (ECM) read. **It is NOT a certification of the truck's actual mileage.** It simply shows what the truck meters read. You must rely exclusively on your personal pre-auction inspection when making your purchase. We check the ECM when the ODOM reads less than 700,000 miles.
We are not responsible for errors on this sheet.

You inspect it you buy it "as is."
